

CHETROL OCS™

Environmental Organic Chelation Solution

TECHNICAL BULLETIN

DESCRIPTION

CHETROL™ (key-trol) is a highly concentrated multi-purpose formulation of organic chelating agents and surface active agents which synergistically solubilize and controls a variety of insoluble minerals and heavy metals while enhancing the biodegradation of complex hydrocarbons and reduction of metal complexes.

CHETROL™ catalyzes the breakdown of chemical and petroleum compounds and promotes microbial proliferation. The result is biodegradation into environmentally harmless by products of carbon dioxide, water, minerals and humus.

BENEFITS

- Chelates a variety of minerals, salts and heavy metals
- Supports the breakdown of chemical and petroleum compounds

APPLICATION

SHAKE WELL OR STIR BEFORE USE.

CHETROL™ OCS is highly concentrated. Mix with water to ensure adequate coverage. Jar test for compatibility prior to final tank mixing with other products.

HEAVY METALS/PETROLEUM TOXICITY: Apply 3-5 gallons in at least 100 gallons of water per acre by grounds sprayer. Water thoroughly or incorporate by tillage, follow by thorough watering. Treat every 2-4 weeks until desired control is achieved.

NOTE: Some applications may require the addition of other Biofeed products. See your dealer for specialized treatments.

PHYSICAL CHARACTERISTICS

Appearance: Brown liquid
Weight: 9.5 lbs./gal. (0.76 lbs. N/gal.)
pH Range: 8.5-9.5
Enzymatic activity may affect pH during storage.

CHEMICAL CHARACTER

Organic acids, enzymes, and amino acids.

AVAILABILITY

United States of America

- 5-gallon (18.93 L) pail
- 55-gallon (208.2 L) drum
- 275-gallon (1040.99 L) tote

Other Countries

- 20-Liter (5.28 gal) pail
- 208-Liter (54.95 gal) drum
- 1040-Liter (274.74 gal) tote

STORAGE AND DISPOSAL

Store at 50°-95°F / 10°-35°C. Do not store in direct sunlight.

Keep product in original container. Triple rinse and empty for recycling. Always dispose of container in accordance with local, state and/or federal regulations.

WARNING

KEEP OUT OF REACH OF CHILDREN. MAY BE HARMFUL IF SWALLOWED.

SDS available upon request.

CONDITION OF SALE

The information herein is believed to be accurate and reliable. Buyer and user assume all liability from use of this material. Follow directions carefully. Timing, method of application, weather, plant, crop or turf conditions and other factors are beyond the control of the seller.
